Señores
Empresa Pública Metropolitana de Gestión Integral de Residuos Sólidos EMGIRS-EP
Presentes.-

Interesado: **InfraCan EPC Management Corporation**

Ref.: *Concurso Público Internacional para la selección de un Socio Estratégico para el desarrollo del Proyecto de "Nueva Estación de Transferencia Norte y Planta de Separación de Residuos Ordinarios Sur del Distrito Metropolitano de Quito"*

En relación a la sección 7.2.7 de las Bases, por medio de la presente declaramos que nuestra Propuesta Conceptual de Solución Técnica cumple con todos los requisitos técnicos mínimos de las Bases, y en concreto cumple con:

1. Que dicha propuesta ha sido redactada considerando la localización de las plantas.
2. Que los procesos que contiene dicha propuesta no generan acumulaciones innecesarias ni problemas ambientales, desde su ingreso a la PAN o PCS, hasta el fin de proceso de aprovechamiento o hasta estar dispuestos para ser enviados al relleno sanitario.
3. Que la tecnología que se utiliza en la propuesta es probada y contrastada y que llevan más de cinco (3) años de operación en el mercado.
4. Que la propuesta ha tomado en cuenta las facilidades mínimas que requiere la nueva planta.

Adjuntamos como justificantes todos los documentos acreditativos.
